#### PROJECT EXPERIENCE

#### **Quizzit!** — Flashcard Web Application

- Created a web application using micro-servicing in Java and Javascript to create flashcards for the user to review; cards that are answered correctly are taken out of the deck since they won't need review
- Users can create an account to save their information and decks

#### **WORK EXPERIENCE**

#### Staff Secretary, Parkway School District, Ballwin, MO, August 2019 - Present

- Recording student attendance and giving accurate reports to the district
- Completing tasks given by teachers to ensure their instruction time is unhindered
- Editing is distributing of the parent newsletter, including upcoming events and important messages for the community

## Teacher Assistant, Parkway School District, Town and Country, MO, August 2015 - May 2019

- Worked with small groups to improve reading
- Substituted in classrooms when teachers were pulled out for meetings
- Supervised lunch and recess duties

#### Barista, Starbucks, Valley Park, MO, May 2015 - Present

- Engaging with customers to make sure they're having a wonderful experience
- Handling money with accuracy
- Creating drinks and warming food items in an efficient manner with accuracy
